- C. *Grounds for Disapproval.* The Committee may disapprove any application:
 - (1) If such application does not comply with this declaration;
 - (2) Because of the reasonable dissatisfaction of the Committee with grading plans, location of the proposed improvement on a lot finished ground elevation, color scheme, finish, design proportions, architecture, shape, height or style of the proposed improvement, the materials used therein, the kind, pitch or type of roof proposed to be placed thereon; or
 - (3) If, in the judgment of a majority of the Committee reasonably exercised, the proposed improvement will be inharmonious with the Development or with the improvements erected on other campsites.
- D. *Rules and Regulations.* The Committee will from time to time, adopt written rules and regulations of general application governing its procedures which shall include, among other things, provisions for the form and content of application; required number of copies of plans and specifications, provisions for notice of approval or disapproval, including a reasonable time period for approval by reason of failure to disapprove, etc.
- E. *Variations.* The Committee may grant reasonable variations or adjustments from the Declaration where literal application thereof results in unnecessary hardship and if the granting thereof will not be materially detrimental or injurious to owners of other campsites.
- F. *Certification of Compliance.* At any time prior to completion of construction of an improvement, the Committee may require a certification, upon such form as it shall furnish, from the contractor, owner or a licensed surveyor that such improvement does not violate any setback rule, ordinance or statute, nor encroach upon any easement or right-of-way of record.
- G. *Administrative Fees.* As a means of defraying its expense, the Committee may institute and require a reasonable filing fee to accompany the submission of plans and specifications, to be not more than one-fourth of 1% of the estimated cost of the proposed improvement, subject to a minimum fee of \$5.00. No additional fee shall be required for resubmission.
- H. *Liability.* Notwithstanding the approval by the Committee of the plans and specifications or its inspection of work in progress, neither it, TRAVERTINE, the Association, nor any person acting in behalf of any of them shall be responsible in any way for any defects in any plans or specifications or other material submitted to the Committee, nor for any defects in any work done pursuant thereto. Each person submitting such plans or specifications shall be solely responsible for the sufficiency thereof and the adequacy of improvements constructed pursuant thereto.

- I. *Appeals.* Any applicant shall have the right to appeal to the Board from any decision of the Committee within thirty (30) days after entry of such decision.

VII. ASSOCIATION.

- A. *General.* The Association is an Oklahoma not-for-profit corporation organized to further and promote the common interests of owners in the Development. The Association shall have such powers in the furtherance of its purposes as are set forth in its Articles and Bylaws.

- (1) *Classes of Members.* There shall be members and associate members.
 - (2) *Members.* Each owner including TRAVERTINE shall, by reason of ownership, become a member of the Association. There shall be one voting member for each campsite regardless of the number of persons who may have an ownership interest in such campsite, or the manner in which title is held by them. There shall be one voting member for each campsite. The voting member shall be designated in writing at the request of the Association.
 - (3) *Associate Members.* If not otherwise a member, each of the following shall be associate members in the Association:
 - (a) The spouse and children of a member who have the same principal residence as the member shall be associate members of the Association.
 - (b) Persons who by virtue of a contractual agreement with the Developer are entitled to membership in the Association.

VIII. ASSESSMENTS.

- A. *General.* Pursuant to the powers granted to it in its Articles and Bylaws, the Association is expressly authorized and empowered to levy annual assessments. No assessment shall ever be levied against campsites owned by TRAVERTINE. Assessments shall be levied in accordance with the following provisions:
- (1) Until January 1 of the year immediately following the conveyance of the first lot by declarant to an owner, the maximum annual assessment shall be One Hundred Dollars (\$100.00).

 - (3) From and after January 1 of the year immediately following the conveyance of the first lot by declarant to an owner, the maximum annual assessment may be increased above twenty-five percent (25%) by the vote or written assent of two-thirds (2/3) of each class of members.
 - (4) The board of directors of the Association may fix the annual assessment at an amount not in excess of the maximum.
- B. *Collection and Lien.* The amount of the assessment levied by the Association shall be paid to it on or before the date fixed by resolution of the Board. If not so paid, the amount of such assessment, plus such interest from the date of delinquency thereon and costs of collection thereof, including attorneys' fees, if any, shall constitute and become a lien on the campsite so assessed when the Board causes to be

recorded in the office of the County Recorder of Deeds, a notice of assessment which shall state the amount of such assessment and such other charges and a description of the campsite which has been assessed. Such notice shall be signed by the Secretary of the Association on behalf of the Association. Upon payment of said assessment and charges or other satisfaction thereof, the Board shall, within a reasonable time, cause to be recorded a further notice stating the satisfaction and the release of said lien. Each assessment, together with such interest thereon and cost of collection thereof, including attorney's fees, shall also be a personal obligation of the person who was the owner of the campsite at the time when the assessment fell due.

- C. *Priority of Lien.* Conveyance of any campsite shall not affect any lien for assessments provided herein. Such lien shall be prior to all other liens recorded subsequent to said notice of assessment.
- D. *Enforcement.* The lien provided for herein may be foreclosed by suit by the Association in like manner as a mortgage and, in such event the Association may be a bidder at the foreclosure sale. The Association may also pursue any other remedy against any owner owing money to it which is available to it by law or equity for the collection of debt.
- E. *Proof of Payment.* Upon request, the Association shall furnish a statement certifying that all assessments then due have been paid or indicating the amount then due.
- F. *Suspension.* The Association shall not be required to transfer memberships on its books or to allow the exercise of any rights or privileges of membership on account thereof to any owner or to any persons claiming under them unless or until all assessments and charges to which they are subject have been paid.

Improvements within such areas shall be maintained by the owner except those for which a public authority or utility company is responsible.
- E. *Liability for Use of Easements.* No owner shall have any claim or cause of action against TRAVERTINE or its licensees arising out of the exercise or nonexercise of any easement reserved hereunder or shown on the Plat except in cases of willful or wanton misconduct.

X. RETAINED PARCELS.

TRAVERTINE may retain ownership of certain parcels within the Development shown on the Plats, for use for commercial purposes. TRAVERTINE reserves the right and privilege to develop said parcels for such commercial purposes as it may deem appropriate and compatible with the Development. It further reserves the right to conduct all commercial enterprises of any type or kind whatsoever which may at any time be lawfully conducted within the Development. This reservation shall include the right to conduct commercial enterprises on Common Property both before and after transfer to the Association and the right to free and unrestricted access thereto for such purposes. These rights may be exercised by TRAVERTINE or assigned by it to whomever it may see fit. At the sole election by TRAVERTINE those rights may be assigned to the Association at any time hereafter upon such terms and conditions as TRAVERTINE may deem appropriate at the time of assignment, but unless the Association acting through its Board, shall otherwise agree, such assignment shall be without cost to the Association and shall be free and clear of all liens and encumbrances (other than liens for taxes), but subject to such easements, right-of-way, and restrictions as then appear of record. Any assignment of these rights, whether to the Association or otherwise may be of all or any part of said rights and, may, include transfer or conveyance of some or all of said parcels.

TRAVERTINE reserves for itself, agents, employees, successors and assigns, full rights of access across all Common Property required to implement this reservation. By reservation of these rights, TRAVERTINE assumes no affirmative duties to establish or maintain any commercial enterprise whatsoever.

- A. *Property to be Annexed.* TRAVERTINE may, from time to time and in its sole discretion, annex to the Development any other real property owned by TRAVERTINE which is contiguous or adjacent to or in the immediate vicinity of the Development.
- B. *Manner of Annexation.* TRAVERTINE shall effect such annexation by recording a Supplemental Declaration which shall:
 - (1) Describe the real property being annexed and designate the permissible uses thereof;
 - (2) Set forth any new or modified restrictions or covenants which may be applicable to such annexed property, including limited or restrictive uses of Common Property; and
 - (3) Declare that such annexed property is held and shall be held, conveyed, hypothecated, encumbered, leased, rented, used, occupied and improved subject to the provisions of this Declaration. Upon the recording of such Plat and Supplemental Declaration, the annexed area shall become a part of the Development, and shall be subject to the provisions hereof as supplemented, as fully, as if such area were part of the Development on the date of recording this Declaration.

XI. RECIPROCAL RIGHTS.

In the event that TRAVERTINE or any of its affiliated corporations shall establish another development or developments, and, in the establishment thereof, shall provide that the members of CEDAR BLUE ASSOCIATION shall have the privilege of the use of any portion thereof, then in that event, the members in such other developments shall have reciprocal and equal rights to the use of Common Properties within CEDAR BLUE. The CEDAR BLUE ASSOCIATION will be responsible for the expense of providing such rights in CEDAR BLUE, including the costs attendant to ownership, maintenance and operation of campsites which may be established for such use and which shall therefore become Common Properties.

XII. REMEDIES.

- A. *Enforcement.* TRAVERTINE and each person to whose benefit this Declaration inures, including the Association and any governmental body or agency within this County of Oklahoma, may proceed at law or in equity to prevent the occurrence, continuation or violation of any provision of this Declaration, and the Court in such action may award the successful party reasonable expenses in prosecuting such action, including attorneys' fees.
- B. *Suspension of Privileges.* The Board may suspend all voting rights and all rights of any owner to use the Association's Common Property for any period during the period of any continuing violation of the provisions of this Declaration by such owner after the existence thereof has been declared by the Board.
- C. *Cumulative Rights.* Remedies specified herein are cumulative and any specifications of them shall not be taken to preclude an aggrieved party's resort to any other remedy at law or in equity. No delay or failure on the part of an aggrieved party to invoke an available remedy in respect of a violation of any provisions of this Declaration shall be held to be a waiver by that party of any right available to him upon the reoccurrence or continuance of said violation or the occurrence of a different violation.

XIII. GRANTEE'S ACCEPTANCE.

Each grantee or purchaser of any campsite shall, by acceptance of a deed conveying title thereto, or the execution of a contract for the purchase thereof, whether from TRAVERTINE or a subsequent owner of such campsite, accept such deed or contract upon and subject to each and all of the provisions of this Declaration and to the jurisdiction, rights, powers, privileges and immunities of Declarant and of the Association. By such acceptance such grantee or purchaser shall for himself, his heirs, devisees, personal representatives, grantees, successors and assigns, lessees and/or lessors, covenant, consent and agree to and with TRAVERTINE and the grantee or purchaser of each other campsite to keep, observe, comply with and perform the covenants, conditions and restrictions contained in this Declaration.

XIV. SUSPENSION OF RESTRICTIONS.

The provisions on improvements, use and occupancy set forth herein shall be suspended as to any campsite or other area while in use by any governmental agency, public or private utility, whenever and to the extent, but only to the extent, that such provisions shall prevent the reasonable use of such campsite or area for said purposes. On cessation of such use, such provisions in their entirety shall become applicable against such campsite or other area. While owning or leasing and using, such owner or lessee shall have no right as a member of the Association, nor shall it be liable for any Association assessments.

XV. CAPTIONS.

Paragraph captions in this Declaration are for convenience only and do not in any way limit or amplify the terms or provisions hereof.

XVI. TERMS AND AMENDMENT.

The provisions of this Declaration shall affect and run with the land and shall exist and be binding upon all parties claiming an interest in the Development until July 1, 1989, after which time the same shall be extended for successive periods of 10 years each. Prior to July 1, 1989, this Declaration may be amended by the affirmative vote of the owners of two-thirds of the campsites in the Development entitled to vote and thereafter by a majority of said owners by recording an amendment to this Declaration duly executed by (a) the requisite number of such owners required to effect such amendment or (b) by the Association, in which latter case such amendment shall have attached to it a copy of the resolution the Board attesting to the affirmative action of the requisite number of such owners to effect such amendment, certified by the Secretary of the Association.

XVII. SEVERABILITY.

- A. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions, which shall remain in full force and effect
